At SRG, we're so confident we can find the right person with the right skills for your vacancy that we guarantee it.

As an award-winning recruitment company dedicated to sourcing the highest calibre individuals for the science, clinical and engineering sectors, our priority is ensuring our clients receive the highest possible service and that's a promise; a **110% money back guarantee** promise to be exact!

The SRG Promise is a unique agreement for customers who choose to work with SRG on an exclusive basis for permanent vacancies. In return for customers commitment the 'SRG Promise' offers the following benefits:

- + Up to 20% discount off our standard terms.
- + *110% money back guarantee if we get it wrong.
- + A dedicated Consultant to manage the whole process from start to finish.
- + Comprehensive and thorough screening of candidates against the role and company fit.
- + Up to three Thomas Psychometric profiles for your short-listed candidates.
*terms apply.

Our promise to you is that if a candidate leaves within three months then we will give you 110% of your fee back (standard terms apply).

We know that our teams of qualified and experienced consultants can find the best candidates, based on their in-depth knowledge and understanding of the market and your specific needs, providing you with complete unrivalled satisfaction time and time again. This is how we like to work, for the simple reason that it works better for you, resulting in a longstanding relationship.

A VOTE OF CONFIDENCE +

“We have worked with SRG for several years and they have been instrumental in assisting us to create a number of innovative and successful teams. The selection of candidate CVs is considered and accurate, which reflects both their specialist scientific and technical knowledge and a good understanding of our corporate culture. Most significantly, I appreciate their great integrity and ethical behaviour.”
